Writing

What is success? I think no one knows ~~better~~ how to answer this question better than the popular writer Stephen King. In his opinion talent is a very small part of success. What really matters is hard work. And I am definitely agree ~~the~~ with Mr. King. You need to do whatever you can to achieve your dream! When I'm thinking about my personal live experience I try to memorise all of the great people from the real live of from literature. What was their ~~the~~ way to success? ~~86~~

One of the best examples is novel of one of the ~~greatest~~ most talented authors? F.S. Fitzgerald "The Great Gatsby". The story is about a mysterious wealthy man J. Gatsby who is owner of a big palace. He hosts a party in this palace every week. But how he started? Gatsby was born in a family of poor farmers. He became rich only because his own work! He studied every day to achieve all of his targets!

Another example is the live of the amazing writer J.K. Rowling. Before she became really famous with her "Harry Potter" series ~~she~~ her books were rejected by many publishers. But she belived in her dream and kept working hard. It made her successfyl. (см. продолжение)
