The most unusual day of my summer.  
When I was in a village with my family, I had a flight <sup>by</sup> helicopter. This village is 2 hours away from our city by car. But there was a faster way to get there. When we needed to get there, I chose the long way <sup>to get there</sup> by car, because I am really afraid of flying. The road was really bad, I got sick. But when we got to the village, I was really happy. We spent 2 days here and it was time to go home. Parents told me that we <sup>would</sup> <sup>wouldn't</sup> go by car, because it <sup>would</sup> take too <sup>much</sup> <sup>time</sup> long. I was scared. But then I understood, that it's not that scary at all. After that, I am not afraid of doing something new.

Crazy boy

In this summer I with my friends ~~we~~ Egor, Alexander and Denis were walking around playground. There was sitting a boy on the grass. He said that we mustn't go next to him or he will punch us. We were shocked and asked him why we can't go there and why he thought that we are going to him. He became angry and said that it's his territory. We started laugh because of this. Then he came to us started asking what is funny and punched Egor's face 3 times. This saw his friends. They came and started calming down him. After this situation I understood that you should ignore strange people. (6)
